IMPACT Off-the-Job Accident Plan

ELIGIBILITY

Eligibility in the IMPACT Off-the-Job Accident Plan is based on your District Council area's participation and your Health plan's eligibility rules and conditions. Eligibility will be verified with your Local Union or Home Health Fund Administrator at the time an Off-the-Job Accident claim is filed.

DEFINITION OF DISABILITY

Disability means that you (the member) cannot work and are prevented from performing any and every duty of your job because of an Off-the-Job accident that caused injury and the injury is not covered by workers' compensation law. You must be under the continual care of a physician. You cannot be eligible to receive any form of unemployment compensation.

Injury means bodily injury which is sustained as a direct result of an unintended, unanticipated accident that is external to the body and that occurs while you are eligible under this Plan. Injury does not mean sickness, disease, mental incapacity, or bodily infirmity.

The Board of Trustees has the right to request a physician's statement verifying your injury, as well as updated physician statements to confirm your ongoing disability.

WHEN BENEFITS BEGIN

Benefits for an Off-the-Job accident disability will begin on the eighth (8th) calendar day of your Total Disability.

Benefits are paid, subject to the provisions shown below, if (a) you become Totally Disabled due to an Off-the-Job accident, (b) are unable to work, and (c) are under the care of a licensed physician practicing within the scope of their license.

AMOUNT OF BENEFITS

The amount of the benefit is the lesser of (1) \$800 or (2) 66.67% of weekly earnings, less any weekly disability income benefits available from your Local Union or Home Fund's Health Plan, regardless of whether you receive a benefit. Weekly earnings shall be determined to be your hourly wage based on a 40 hour work week.

Benefits will be calculated at a rate of 1/7th of the weekly benefit for each day of Total Disability when totally disabled for less than a full week. No benefits will be payable if you are not eligible in your Home Health Fund at the time of the Off-the-Job accident causing your injury or the injury occurred prior to your District Council Area's participation in the off-the-job accident program.

TAXES

Your weekly benefit payments are subject to federal income taxes. Federal regulations require you to report payment of these benefits to the IRS. IMPACT will send you a 1099-Misc Form at year end for reporting purposes.

WHEN BENEFITS END

Benefits will end on the earlier of; the date your disability ends, or after six (6) weeks of benefits have been paid under the Plan.

HOW TO FILE A CLAIM

Claim forms are available from the Administration Office, at www.IWaccidentplan.com or from your Local Union. Please read the form carefully, answer all questions, have your Local Union and your physician complete the appropriate sections, and mail, fax or scan and e-mail the completed form to:

IMPACT OFF-THE-JOB ACCIDENT PLAN
PO BOX 34687
SEATTLE, WA 98124-1687
FAX: (206) 441-9110
E-MAIL: CLAIMSTATUS@WPAS-INC.COM

Claims must be filed within 12 months of the off-the-job injury. Claims filed after this timely filing limit will be permanently denied.

COORDINATION WITH OTHER INCOME BENEFITS

If you are entitled to other weekly income benefits from your Local Union or Home Fund's Health Plan during any week for which a weekly Off-the-Job accident benefit is payable under this Plan, the amount of the benefit payable for that week will be reduced so that the sum of the weekly accident benefit payable plus your Local Union or Home Fund's Health Plan income benefits for that week does not exceed 66.67% (or a maximum of \$800). If the sum of all other income benefits equals or exceeds 66.67% (or a maximum of \$800) of your weekly earnings, no weekly accident benefit is payable from this Plan for that week.

RECURRENT DISABILITY

Successive periods of disability that are separated by less than two weeks of continuous active employment will be considered as one continuous period of disability, unless they are due to different, unrelated causes.
